Storywide - DP  
Snippies - DP

## Statement

I have been a cinematographer on long and shortform content from feature films to fashion shows. I have written & directed many scripted commercial shoots and I am as comfortable in a writers room as I am on set.

I love to tell stories and that starts on the page. My broad experience in both writing and filming has helped me learn to communicate stories to an audience and grab them by the heart.

## Education & Classes

SUNY Purchase Film Program  
Alumni of Joan Scheckel's Filmmaking labs  
Startup School.org  
IFP Film Financing Workshops
